

# Miracle

Jesus, let me sing this song,  
This song is just for you.  
Take all of those things that may  
Draw away from you

Give me peace and rest  
Will you comfort my heart  
Walk with me so I can sing  
With a truthful heart

Thank you for the miracle, that miracle for me  
Thank you for your never ending faith  
Thank you for the love, your love for me  
Thank you for your presence everyday
